

VRMA Policy Priorities

- **PROPERTY RIGHTS**

VRMA upholds the rights of property owners to buy, sell, rent, and enjoy the use of their properties.

- **ZONING**

VRMA maintains that vacation rental properties are residential in use and should be regulated as such.

- **GOOD NEIGHBOR POLICIES**

VRMA supports balanced rules which meet community needs and preserves the value of the rentals.

- **PROFESSIONALISM**

VRMA encourages communities to embrace professional vacation rental management standards by which our members abide.

- **STATE UNIFORMITY**

VRMA prefers state-level regulation to develop consistent standards instead of a patchwork of regulations across jurisdictions.

About VRMA

VRMA members include professional vacation rental management and supplier companies representing 25,000 individuals located throughout the country

They are focused on protecting and preserving property owners' assets, and creating memorable guest experiences that meet the highest standards.

Our members are **job creators, revenue generators, locally owned and operated, reliable, and consistent.**
